About Us:

Revolutionary Solutions LLC., (REV-SOLS) is a certified **SBA 8(a)** and **Woman-Owned Small Business (WOSB)** headquartered in Reston, Virginia. We are dedicated to supporting our customers' abilities and missions to protect the interests of the United States, while fulfilling our passion for understanding and implementing Federal Acquisition Regulation (FAR) processes and procedures. Our team has the skills, knowledge, and expertise to deliver full acquisition lifecycle, IT services, and financial & program management solutions. We have a solid, proven history with contracts in the Federal and Commercial sectors.

Quality Policy Statement:

Revolutionary Solutions is committed to providing the highest standard quality services that will meet or exceed our customer's expectations and comply with the regulatory requirements. We will maintain and continually improve the effectiveness of the quality management system through our innovation and creativity to inspire to climb higher.

Government Customers:

What We Do: Federal & Commercial Services

Acquisition & Contracts Management:

REV-SOLS offers comprehensive **Acquisition and Contracts Management** support, assisting with day-to-day acquisition operations and providing expert advice and recommendations as needed. Their capabilities include developing **Acquisition Plans**, exploring **Alternative Approaches**, identifying **Strategies and Risks**, and ensuring **Seamless Project Execution**. REV-SOLS personnel are highly qualified, with certifications under the Defense Acquisition Workforce Improvement Act (DAWIA) Levels I through III, ensuring top-tier expertise. Additionally, their team is proficient in PRISM/PD2Cost systems, bringing extensive experience in delivering full lifecycle acquisition support. This proven track record allows REV-SOLS to effectively manage complex acquisitions, meeting client needs with precision and reliability.

IT Services:

REV-SOLS delivers comprehensive **IT Program Management** and **Technical Consulting Services**, ensuring seamless execution across small to large task orders. Our expertise includes **Enterprise-Wide Integration, Database Administration, Business Process Transformation, Data Analytics, and Network Management**. With skilled IT Program Managers, Task Managers, Database Administrators, Data Analysts, Data Scientists, Functional Specialists, and Programmers, we offer **End-to-End Solutions** from **Project Planning to Implementation**. Our Help Desk Specialists provide 24/7 technical support, while Network Administrators manage and optimize LAN/WAN infrastructures. REV-SOLS excels in aligning technical solutions with business goals, ensuring efficient operations, timely delivery, and measurable results for our clients.

Financial Management:

REV-SOLS specializes in delivering comprehensive **Financial Management and Accounting** support tailored to meet client needs. Our services encompass **Execution Reporting, Variance Analysis, Problem Resolution, Budget Management, Financial Data Reconciliation**, and the resolution of **Abnormal Accounting Conditions**. We also focus on driving **Business Process Improvements** to enhance operational efficiency. In addition to these core services, we prioritize maintaining robust internal controls to ensure full compliance with relevant laws, regulations, and guidelines. This holistic approach allows REV-SOLS to provide reliable financial oversight, mitigate risks, and support sound fiscal decision-making.

Project Management:

REV-SOLS excels in driving projects to successful completion through the strategic use of tools, processes, and methodologies. Our comprehensive **Project Management Services** ensure meticulous oversight and precise execution across all contracts. Key offerings include **Managing Contracts** and **Subsequent Task Orders**, developing **Work Breakdown Structures**, implementing effective **Project Control Mechanisms**, and **Optimizing Scheduling and Resource Allocation**. With a strong focus on operational excellence, REV-SOLS ensures that every project is delivered on time, within scope, and aligned with client objectives.
